

**Photography      Design      Layout**

All photographs were taken by the author with a Nikon D<sub>f</sub> digital camera and a Nikon 28–300-mm zoom lens. Post-processing of raw-format images for contrast, highlights, and color balance was done using Adobe Lightroom and Adobe Photoshop software.

Design and layout by the author using Microsoft Word 2016, PowerPoint 2016, and Adobe Acrobat.

Typeset in Palatino, designed in 1948 by Hermann Zapf, and released by the Linotype foundry (hence “Palatino Linotype”).
